PO Box 17187
Raleigh, NC 27619

To Whom It May Concern:

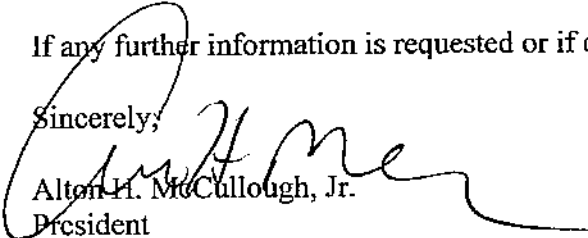

Please be advised that we have has a long standing mutually beneficial relationship with Trulane Construction here in the greater Charleston area. We have known both Chris Biggers and David Lewis for many years and find both of them fine upstanding citizens of the community as well as the construction community.

We have done many projects with them from Dunkin Donuts to private multi story office buildings as well as interior upfits. Some of these recent projects are Moultrie Office Park and Whipple Road Office Park.

Competence and ability are on display throughout their projects whether they are dealing with the client or the subcontractors and suppliers. We find it a complete pleasure to be awarded a job which they are handling.

If any further information is requested or if question exist please contact me.

Sincerely,

Alton H. McCullough, Jr.
President
